Try a truly useful Network Time Protocol Client program

WorldClock

- Local time and date including daylight savings times
 - Analog and digital displays
 - AM/PM and 24 hour (Military time) modes
- International Clocks
 - Never wake your friends up at 2AM - WorldClock tells you exact times on the other side of the planet
 - Displays the time in 6 different user selected timezones around the world
 - Knows about differences in daylight savings times in all areas of the world
- NTP client - sets your PC clock to the atomic standards
 - Accesses up to 30 Standard Atomic Clock sites around the world
 - Rotates to next site on any error
 - Calculates network latency to ensure better than 50mSec accuracy
 - Calculates and displays the average drift of your PC clock
- Astronomic information
 - Calculates and displays the current phase of the moon
 - Calculates and displays the next predicted meteor shower
 - Displays the paths of solar eclipses
- Includes a stop watch for timed events.
- Win95/98/NT program

[Download WorldClock](#)

update or 30 day trial..

[Register WorldClock \(only \\$19.95\)](#)

[Screen Shot](#)

Want to keep your PC clock super accurate..?

Try...

Chron

Set Your PC clock to the atomic standard

- Accesses Standard Atomic Clock sites around the world
- 32 clock sites pre-programmed - user can add to the list

- Rotates to next site on any error
- Calculates network latency to insure better than 50mSec accuracy
- Calculates and displays the current phase of the moon
- Includes both Win3.1 and Win95/NT versions; the installer selects the proper version..

[Download Chron](#)  update or 30 day trial..

[Register Chron \(only \\$11.95\)](#)

[Frequently Asked Questions](#)

[Screen Shot](#)

Find out what TCP/IP services are running on a server

Try...

Scan any or all the TCP/IP services running on a server

- Accepts host names or IP addresses
- Scans a range of ports for access on the server
- Optionally prints reports on the running and failing services
- Reports winsock error codes and text of failure modes
- A Win32 application for Win95/NT only

[Download HostScan](#)  update or 30 day trial..

[Register HostScan \(only \\$8.95\)](#)

[Screen Shot](#)

Manage one PC's Initialization files, or a whole network of PC initialization files..

Try...

Win95 and NT did not do away with Ini files in favor of the registry. Many applications still use them for settings.

- Locates all INI files on a system
- Lists all INI files for quick access
- Scans each file for section headers on open
- Intuitive Multiple Document Interface can open more than one file at a time
- Win32 application for Win95 and NT
- Can operate across a LAN to any share for remote INI administration

[Download IniMaster](#)  update or 30 day trial..

[Register IniMaster \(only \\$16.95\)](#)

Online Auctions as Successful Liquidation Tool
Atlantic Rancher Success Story

Background
Atlantic Rancher, based in Marblehead, Massachusetts, is a brick-and-mortar and mall order retailer of high-end outdoor clothing. In April of 1999, Atlantic Rancher filed Chapter 11 bankruptcy reorganization proceedings in the US Bankruptcy Court for the District of Massachusetts. The case was later converted to a Chapter 7 liquidation and a Chapter 7 trustee was appointed. In August of 1999, the Bankruptcy Court authorized the Chapter 7 trustee to conduct an online liquidation of Atlantic Rancher's \$2.8 million dollars of inventory, utilizing the services of FairMarket, Inc., an online auction services provider.

Atlantic Rancher Success
FairMarket has helped the bankruptcy trustee of Atlantic Rancher sell its inventory online at 104% of cost (as of November 2, 1999). Coverage in national publications, including USA Today, Women's Wear Daily, and Lawyers Weekly, has expanded the nationwide customer reach of Atlantic Rancher's liquidation sale. "We are thrilled with the success."
